**Re: Human Rights Child Protection Defender Killed under unknown circumstances-CSOs Press Conference to Demand for Justice**

Greetings from the Human Rights Network-Uganda (HURINET-U) and hope this communication finds you well.

As most of you are aware, a few weeks ago, a Human Rights child protection Defender working with ACODEV was killed under unknown circumstances allegedly by one Kanyamunyu. We feel that Akeena's death should not go unaccounted for, and the culprit (s) unpunished.

To this end therefore, HURINET-U in collaboration with other Civil Society Organisations has organised a **Press Conference** scheduled to take place on **30<sup>th</sup> November 2016** at HURINET-U office Gardens. The conference will **start at 10.00am**. It is critical for CSOs to rise up and challenge this high level of impunity- today its Akeena, tomorrow it will be someone else.

This communication therefore serves to invite you to a two hours press conference and we look forward for your attendance (please invite all stakeholders within your organizational network).

Sincerely,

Mohammed Ndifuna  
Chief Executive Officer  
**Human Rights Network-Uganda (HURINET-U)**
